

ODOR-PRO

Body Wash

Description:

ODOR-PRO Body Wash is a formulated liquid body wash and hand soap. It exhibits superior odor eliminating properties combined with powerful cleaning and foaming characteristics. **ODOR-PRO Body Wash** is a strong cleaning and deodorizing soap all in one.

Typical properties:

- A light brownish colored semi-viscous liquid.
- High foaming properties
- Excellent cleaning performance
- Very strong odor eliminating properties**
- Excellent stability and shelf life
- Non-staining, mild on the skin
- Not an odor mask!

Uses:

ODOR-PRO Body Wash is an ideal product for one-step cleaning and deodorizing for shower in and out areas as well as home and veterinary use. It is also recommended for use in food-processing plants, restaurants, bakeries, and other facilities where one-step cleaning and deodorizing is desired.

How to use:

For one-step hand washing and deodorizing, place about 5-10cc in palm of hand and add water, lather and scrub hands, nails, and back of hands for 3-5 minutes or more in a normal manner. For strong odors allow material to work on hands and body for 30-60 seconds. After use, hands & body should be rinsed thoroughly. Repeat as necessary or desired to maintain cleanliness and keep odors at bay.
