USES

SCENT WIZARD is recommended for use to eliminate malodors at their source. Uses include:

- Swine/poultry/cattle/livestock pens and barns
- Washrooms and changing areas
- Trash bins, garbage areas
- Sport lockers
- Cabins, basements, garages

Sprinkle **SCENT WIZARD** in barns, cabins, basements, lockers, garages, or wherever odor control and elimination is needed. The amount and frequency of the application will vary based on the intensity of the odor problem, air flow, moisture present (humidity and liquid) and temperature conditions. **Store in a tightly covered container in a dry place.** No attempt should ever be made to modify or disguise any gas or vapor that may possibly be toxic or harmful.

SCENT WIZARD is available in 1, 30, 200, and 400 pound containers. 12-packs of 1-ounce packets, and 2 pound sock units.
